The Ins-and-Outs of Trunk Injections – Tim Bull

This presentation will describe many of the reasons trunk injections are used, along with situations where trunk injections might not be the best options. Pros and cons of several different injection equipment will be compared. Additionally discussed will be the proper way these injections are completed including PPE, licensing/placarding, and tips and tricks learned with experience.

Presenter Bio –

Tim Bull is an ISA Board Certified Master Arborist and the City Forester for the City of Sheboygan. He has a true passion for plant health care and has completed over 10,000 trunk injections since 2012.
