New 2025, ANSI Z133 Update – John Wayne Farber

Join John Wayne Farber (current Z133, voting member) to discuss some major changes to the ANSI Z133, ask question you may have about the updated safety standards, how they were made, and if you would like to see anything changed in the future.

Certified Arborist Exam Review – John Wayne Farber

Looking to take the Certified Arborist Exam or brush up on arborist knowledge? This presentation is for you. We will look at some tips for preparation, what to expect on the day of, and spend the bulk of the time covering the material that may or may not be on the exam and beyond.

Presenter Bio –

John Wayne Farber received his bachelor's degree in Urban Forestry and Forest Management from the University of Wisconsin - Stevens Point. He is an ISA Board Certified Master Arborist and works in the Milwaukee area for Hoppe Tree Service as the Director of Operations. A few highlights of his activities include serving on the Board of Directors for the Wisconsin Arborist Association, Society of Commercial Arborists, and ISA Council of Representatives, he helped establish Mexico's tree-climbing championship, and starred in a chainsaw commercial. He is currently chairing a section committee of the American National Standards Institute on Arboricultural Safety and product development for new industrial power tools. When he is not being a parliamentarian you can find him teaching skills, knowledge,

and safety training at all Wisconsin's urban forestry programs or making all of life's necessities with his wife Katie on their small woodlot in rural Ixonia.
